Our Standard Procedures

PRIVATE ROOMS: Private function rooms are assigned according to the guaranteed minimum number of people anticipated. We reserve the right to change groups to a room suitable for the attendance, if attendance increases or decreases. Specific rooms and/or areas will be guaranteed according to the guest count. A room charge and a food and beverage minimum are required for private functions. This excludes room rental, tax, gratuities, or cash bar sales. This minimum strictly applies to food and beverage and does not include gratuities, service charges, tax, or any other miscellaneous charges incurred. Should your final food and beverage invoice fall below the contracted minimum the difference will be added to your bill as room rental. A room charge is included for all private events up to 3-hours. You are allowed a complimentary 30 minute set up prior to your event. Additional charges will apply should your event extend beyond the allotted 3 hours.

DEPOSIT AND PAYMENT: The greater of 10% of the Food and Beverage Minimum or \$500.00, by either cash, company check, or credit card is required to confirm the reservation and to pursue proper planning of your event. A preliminary agreement must be submitted along with the deposit to hold the space. All deposits are non-refundable and will be applied towards liquidated damages due to the Restaurant pursuant to the Notice of Cancellation section.

A payment by cash, company check, or credit card of 80% of the estimated total for the event is due fourteen (14) days prior to your event. Final payment by cash, credit card, or pre-approved company check is due at the end of the event. Personal Checks will not be accepted for final payment. A credit card authorization form must be kept on file for any outstanding charges. The deposit is deducted from the final bill on the day of the function.

NOTICE OF CANCELLATION: Should it be necessary for you to cancel this function after this agreement has been signed, the Restaurant must receive this notice in writing and the Restaurant will be entitled to liquidate damages (agreed not to constitute a penalty).

FORCE MAJEURE: Restaurant and Customer shall be excused from a delay in performing, or a failure to perform, its obligation under the Agreement to the extent such delay or failure is caused by the occurrence of any contingency beyond the reasonable control of such party, which contingencies may include acts of God, war, riot, terrorism, government regulation, physical shutdown, curtailment of transportation facilities, labor troubles, disputes or strikes, power failures, fires, severe weather conditions, and other causes, whether enumerated herein or not, which are beyond the control of either party making inadvisable, illegal, or impossible to hold an Event (referred to as "Force Majeure"). Either Restaurant or Customer may cancel the Agreement for any one or more of such reasons upon written notice to the other. Notwithstanding anything to the contrary in the Agreement, in the event of cancellation due to a Force Majeure event, any and all deposits (including Non-refundable deposits, if any) and fees paid by customer will be refunded within thirty (30) days of the Force Majeure event.

In no event shall the Restaurant be liable for the loss of profit or other similar or dissimilar collateral or consequential damages, whether based on breach of contract, warranty or otherwise. In no event shall the Restaurant's liability be in excess of the total amount of the deposits paid by the Customer.

ADDITIONAL FEES: Additional Fees are defined as; (1) a 4% taxable Administrative Fee, which does not represent a gratuity for the wait staff, bartenders, or service staff and, (2) a 10.50% CA State and Local tax, or whatever the tax rate may be at the time of the Event. If a Host Bar option is selected by the Customer, all beverages will be charged on consumption with a detailed receipt added to the final bill. There is a \$150.00 fee for each bartender, cashier, coat room attendant, and chef attendant required. This fee does not apply to normal service staff.

MENU SELECTIONS: Final menu and wine selections, including room arrangements, and all other details must be finalized no later than two (2) weeks prior to the function and are not subject to change. Once the menu is selected, a detailed event order will be sent to you for final approval.

FINAL GUEST COUNTS: A Final Guest Count is required to be sent, in writing, no later than three (3) business days prior to the event. This count will be considered a guarantee, not subject to reduction, and charges will be made accordingly. If no final event count is received prior to three (3) business days before the event, the Guest Minimum listed on this Agreement will be considered the final guest count. If on the day of your event, your confirmed guest count exceeds the Final Guest Count submitted or the Guarantee Minimum listed on the Agreement, all per guest items (Hors d' Oeuvres, Carving Stations, Action Stations, Breakfast and Brunch Buffets, Lunch and Dinner Buffets, and any per person Liquor Packages) will be charged accordingly.

All a la carte dining events will be charged a person fee for actual guests less than the guaranteed guest count.
